Subject: Lab Nos. [REDACTED]

Hi Sonja,

I have this case on early next week for a motion to dismiss. You tested several bags of MJ with 4 different drug certs, all of which weighed under an ounce. However, I need to know if, collectively, the drugs for the 4 certs weighed OVER an ounce. Could you provide this info to me either by email or by faxing (413.584.3635) the lab notes with the weights to me so I can do the math myself? Any help would be greatly appreciated!

Thank you!

Jen
